

### **Azure Power: Committed to Clean Energy and Strong Governance**

Azure Power acknowledges the recent actions announced by the U.S. Department of Justice and U.S. Securities & Exchange Commission regarding certain former directors, officers, and third parties. As previously disclosed beginning in January 2023, Azure has been and continues to cooperate fully with these agencies. The individuals referenced in the government actions are no longer affiliated with Azure, having been separated from the company for over a year. We have no further comment on the ongoing investigations at this time.

Azure Power remains steadfastly committed to upholding the highest standards of governance and transparency. Providing clean energy solutions is our core mission, and we pursue this mission with unwavering dedication to accountability, ethical conduct, and full compliance with all applicable laws and regulations.
